

SHIPWRECKED ~ RESCUED BY JESUS

Dear Parents,

Send your kids on an impacting island adventure!

At *SHIPWRECKED* Bible Week, kids will discover how Jesus rescues us through life's storms. Shipwrecked is filled with incredible Bible learning experiences kids see, hear, touch, and even taste. Science-Fun Gizmos, team-building games, cool Bible songs, and tropical treats are just a few of the exciting activities that help faith flow into daily life. Since everything is hands-on, kids might get a bit messy. Be sure to send them in play clothes and safe shoes. Crew Leaders will help kids discover how to see evidence of God in everyday life—something we call God Sightings. Get ready to hear that phrase!

Your kids will also participate in an outreach project, connecting kids-to-kids whose lives were "shipwrecked" by a terrible earthquake in Fondwa, Haiti in 2009. Believe it or not, there are still many families struggling to rebuild and have basic necessities. Donations collected during *Shipwrecked* week will go to help our "adopted" friend, Father Joseph Phillipe, a Spiritan priest who spent some of his time in Pittsburgh while preparing to become a priest. Google his name and see a "trailer" of a documentary movie about his work, or www.raisinghaiti.org/father-joseph.htm
